

Dear Parents,

Yesterday, December 14<sup>th</sup>, we used our "One Call Now System" for the first time. Hopefully, you received at least one phone call from our school concerning the dates of our Winter Break. (There is no school on Friday, Dec. 16th and Monday, Jan. 2nd.)

If you would like any changes made to the phone numbers we have on file for your student, or if you did not receive a phone call, please don't hesitate to contact our office at 801-779-2066.

We are excited about this new system and the ability it gives us to keep you up-to-date on your child(ren)'s education.

Sincerely,

SAA Administration
