1 pencil box size (approx. size 8"X 4 1/2") Larger pencil boxes do not fit in our small desks.	Three fine tip dry erase markers
1 medium sized pair of scissors. Small child size scissors are a little small for fourth grade hands.	Three glue sticks
8 Colored markers. More than this will not fit well in pencil box, but may be stored in class supply box or backpack.	1 box of facial tissue
2 red pens	1 roll of paper towels
12 colored pencils	1 package lined paper
1 refillable water bottle (We have a sink in our classroom).	Lysol or Clorox type wipes
1 roll of scotch tape	2 packages of 3 X 5 cards lined, blank, colored, or white.
2 single subject spiral notebooks with just 70 sheets or 140 pages.	
1 composition book	
1 package of pencil top erasers	
1 current picture of student (Wallet size to 4x6 size) We will keep all year on bulletin board and send home at the end of the year.	
Two book covers. If buying the stretch, cloth ones you will need large sizes. The small ones do not fit.	

We will provide a homework folder for each student. The folder he or she will bring to school will be kept in the desk and used for class work. We will provide a composition book for word study/spelling. The composition book provided by you will be used as a science journal. The single subject notebooks we are requesting will be used for math and language arts journals.

If you are unable to find exactly what is requested here we will be flexible. These requests for smaller size spiral notebooks and only 8 markers are to keep desks less crowded. If you have something else on hand or can't find exactly what is on our list, don't stress about it.

Wish list for teachers:

1 ream of copy machine paper

Clean, empty 2 liter bottles for science project (Please don't send until the second week of school).

Thank you,

Mrs. Ripley
