COVID Response
Reopening Plan - Fall 2020

Hygiene & Etiquette

Handwashing
Reinforce handwashing with soap and water for at least 20 seconds.

Hand Sanitizing
Stations will be available as students enter and exit building and classrooms, and before and after meals in the cafeteria.

Respiratory
Reinforce mask wearing and covering coughs and sneezes with a tissue or into your elbow. Discard tissue after one use.

Physical Contact
Reinforce physical distancing, including no handshakes, high fives, or hugs.

Face Mask Etiquette
Syracuse Arts Academy will be following the governor’s directive that all staff, students, and visitors wear coverings when at a school.
SAA will provide a face mask to all employees and students.

Employees & Students
Employees and students will be directed to wear face masks when in the building.

Visitors, non-regular staff, and volunteers
Visitors will be required to wear face masks and complete a symptom checklist.

Stay Home When Sick
If you feel sick; stay home.

Monitor Symptoms
Students who present with COVID-19 symptoms during the school day will be isolated in a sick room until a parent can pick them up.

Clean & Disinfect
Our custodial team will increase routine cleaning and disinfection around the school.
There will be regular cleaning and disinfecting of frequently touched surfaces within the school, on playground equipment, and on school buses.

Accommodate High-Risk Students and Staff
A plan is in place to support alternative learning for self-identified high-risk students and to mitigate risk for self-identified high-risk staff.

Shared Objects
Sharing of items that are difficult to clean or disinfect will be minimized.
Backpacks will be allowed in classrooms to reduce locker use and keep student’s belongings separated from others.

SAA works in conjunction with the Davis County Health Dept. and the Utah State Board of Education and will adapt to any changes in educational guidelines as necessary.
