

Learning through the Arts

Dear Parents,

In light of the ever-changing status of Covid-19 in Utah. The administration and I have decided to forego the Junior High Fall athletic season (Girls Volleyball, Girls Soccer, Flag Football, and Cross Country) at this time and will reevaluate Winter sports at a later date. Every season will be in question because of the ever-changing stats of the virus. Our main concern is the safety of your athlete and you as a parent.

As a PE teacher, we plan on subsidizing those sports through intramural sports. At present, we are planning on running intramurals at our school. We are in the planning stages of intramurals in a controlled environment, and we plan to start intramurals when we feel it is safe enough according to health guidelines.

Thank you for your support. If you have any further questions feel free to email me at Hvelasquez@saacharter.org
